The Applicant wishes to thank Examiner Peter Hruskoci for the courtesy extended to Raymond Smith in the telephonic interviews.

The Examiner proposed amendments to Claim 1, which the Examiner indicated would result in the present application being allowable. In response to and consistent with the Examiner's proposed amendments, the Applicants have amended Claim 1 herein. In view of presently amended Claim 1, the Claims are not obvious in view of the prior art of record. Accordingly, the Applicant respectfully requests that the rejections under 35 U.S.C. § 103(a) be withdrawn.

Although the present communication may include alterations to the application or claims, or characterizations of claim scope or referenced art, Applicant is not conceding in this application that previously pending claims are not patentable over the cited references. Rather, any alterations or characterizations are being made to facilitate expeditious prosecution of this application. Applicant reserves the right to pursue at a later date any previously pending or other broader or narrower claims that capture any subject matter supported by the present disclosure, including subject matter found to be specifically disclaimed herein or by any prior prosecution. Accordingly, reviewers of this or any parent, child or related prosecution history shall not reasonably infer that Applicant has made any disclaimers or disavowals of any subject matter supported by the present application.
